

**DECLARATION OF MIS-JOINDER**  
**37 CFR '1.497(d)**

In connection with international patent application PCT/US03/36836, filed November 17, 2003, and entitled SYSTEM AND METHOD OF VISIBLE SURFACE DETERMINATION IN COMPUTER GRAPHICS USING INTERVAL ANALYSIS, as well as national phase filings relating thereto, namely in Australia (Serial No. 2003294327), Canada (Serial No. 2,506,419), Japan (Serial No. 2004-553884), New Zealand (Serial No. 540742) and the United States (Serial No. 10/532,907), I David R. Schmidt, presently residing at 403 East Camp Street, Ely, Minnesota, USA 55731, and formerly of 9329 Oliver Avenue North, Brooklyn Park, Minnesota, USA 55444, acknowledge being erroneously named as an inventor; that the error in inventorship occurred without deceptive intention on my part; that I believe Nathan T. Hayes to be the sole inventor of the invention covered by the application; and, consent to removal as inventor in the subject filings.

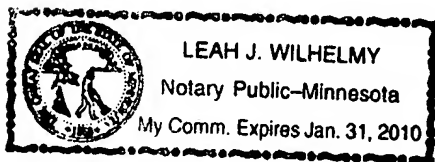

IN TESTIMONY WHEREOF, I, have hereunto set my hand this day of 3/28, 2006.

David R. Schmidt

STATE MINNESOTA       )  
                              ) ss.  
COUNTY OF               )

On this 28<sup>th</sup> day of March, 2006 before me personally appeared David R. Schmidt, to me known and known to me to be the person described in and who executed the foregoing instrument, and he duly acknowledged to me that he executed the same for the uses and purposes therein set forth.

Notary Public
